PETITION # W01982A-13-0311

THE RESIDENTS OF WHITE HILLS COMMUNITY ARE PROTESTING THE PROPOSAL FROM THE WHITE HILLS WATER COMPANY TO INCREASE THE WATER RATES.

We the residents of White Hills Community highly protest the proposed increase in water rates from the White Hills Water Company.

There are many residents who do not use over 1000 gallons of water a month. This increase would force residents to pay double for the water they require, which is an injustice to them.

This increase discriminates against the residents who conserve on water for environmental, economic, or low and fixed incomes.

This increase is for units 1, 3, and 4. Unit 2 is a different water company and they pay less for their water then units 1, 3, and 4 do at the present time.

We the residents of White Hills Community are pleading that this water increase does not get voted in.
